Boat Schools

In Bangladesh, many students learn in "boat schools." During monsoon season there are very heavy rains. The rains make it impossible for children to walk to school, which is often very far away.

But heavy rains don't disturb the boat schools. When the water rises, so does the boat! Boat schools stop at different villages along the shore to pick up students. They take the students back home after

Where are the keys?

Soccer practice was at 5 o'clock every Tuesday. Juan usually walked to practice, but he was late.

"Mom, I'm late," he said. "Can you find my soccer keys?"

"I'll look for them," said Juan's mom, who was washing dishes. She wiped her hands on a towel. "Let's go."

But when she went to get her car keys, they weren't there.

"That's strange," said Juan's mom. "I'm sure I put them on the table."

Choose the correct answer.

Juan's mom usually took him to soccer practice.
